

NYREX

THE NYREX®

MAXIMUS

When you want the best, choose the king of grain for handling solutions!

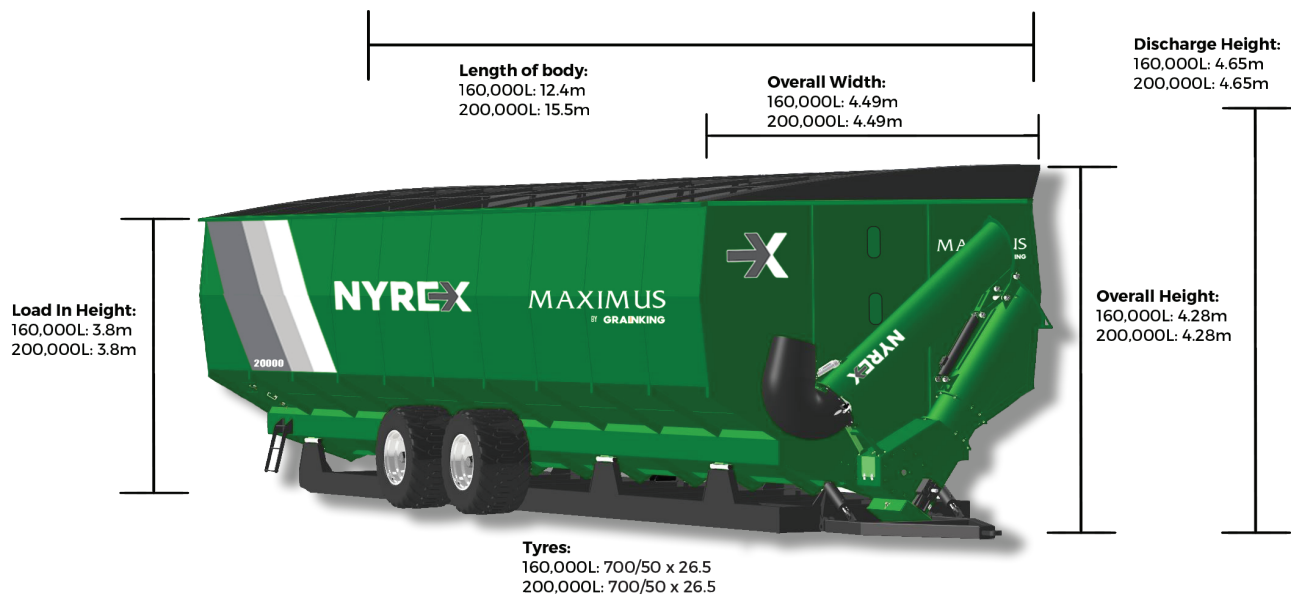

The NYREX® range is the result and evolution of decades of experience combined with a vision to drive efficiency and innovation. We deliver top of the line paddock solutions, while upholding a global reputation for quality and Integrity. There is sure to be a product which suits your needs with 160,000 litre (130T) and 200,000 litre (160T) Maximus bin sizes.

The MAXIMUS Mother Bin was designed for the farmer who is looking to drive productivity and efficiency on their farm. Unlike many chassis bins available on the market, the NYREX® MAXIMUS bins have the ability to be transported with up to 20T of content.

Reliability and safety are our top priority which is why each of our NYREX® MAXIMUS bins are equipped with heavy duty braked axles. Our bins are built to withstand the harshest environments with heavy duty materials and ingenious design.

MAXIMUS BINS for the future, manufactured today.

INCREASE YOUR PRODUCTIVITY AND INVEST IN A NYREX® MAXIMUS BIN

Every Nyrex® Maximus has:

- Hydraulic Brakes to ensure the safety of the operator is always the first priority.
- 5 Year structural limited warranty
- Tandem cushion suspension ensuring a smoother ride for transport, both benefiting the operator as well as stopping any bin fatigue.
- Flotation Tyres, helping you to transport across boggy paddocks, while reducing compaction.
- Flow Adjustable Grain Doors which allows the operator to control speed of grain flow.
- Light Kit for enhanced vision at night.
- Camera Kit for easy viewing into the Maximus Bin.
- Adjustable Poly Spout to ensure you are putting the grain exactly where you want it.
- Height Adjustable Drawbar to help the operator in transportation through creeks, and rough paddocks.
- Full length unobstructed internal walkways ensuring safety and convenience for the operator and ease of clean out.
- 22" auger for a more efficient unload capacity.
- Sight Windows to ensure the operator can analyse from further away.
- Side Access Door for ease of access when it comes to clean-out.

OPTIONAL
FEATURES

- Weigh Scales
- External Ladder
- Extra Windows
